**FOURTH STATUS REPORT OF UNITED STATES POSTAL SERVICE
PROVIDED IN RESPONSE TO ORDER NO. 1792**
(August 21, 2013)

The Postal Service hereby provides its fourth status report in response to Order No. 1792, in which the Commission directed the Postal Service to provide a weekly report concerning the status of the amendment in this docket, until such amendment is filed. The Postal Service has not yet received the signed amendment back from the customer. However, the Postal Service did get confirmation from the customer that the amendment is due to be signed by the customer's appropriate contracting officer this week. The Postal Service and the customer have a teleconference scheduled for tomorrow, in which the Postal Service expects to receive an additional update on when the signed amendment will be sent back to the Postal Service. The Postal Service will provide an additional update on Wednesday, August 28th, if the amendment has not been filed by that date.

Respectfully submitted,
